

Amigo Insurance
North Riverside, Illinois

Amigo Insurance has grown to more than 115 employees across 25 Locations and two dedicated Call Centers located in the United States and Mexico. It is vitally important for my company to have a rock-solid, reliable and smooth-running Data and Voice Network and Security Infrastructure.

For over ten-years, TCE Company has been a trusted Technology partner of Amigo Insurance. Technology is a critical strategic component to my business model to help us gain and manage efficiencies and to control costs.

That's where having TCE Company managing and supporting our complete Technical operations has been key to reaching this success. With hundreds of Computers, Printers, Handsets, several servers, Firewalls and other Network (and Security) equipment under TCE Company's expert management, Amigo Insurance can focus on its goal to provide the best Insurance experience for our Customers.
