Allworx Cloud Backup Service

-) **Is your Allworx System Backed-up?**
-) **How current is your backup copy?**
-) **On which computer is your Allworx backup located?**

Protection against the need to manually reconstruct your Allworx system in the event of File Corruption or System Failure

TCE Company will configure your Allworx system to connect to our Data Center, every night (7-days a week, 365-days per year)

Each night, your Allworx system will download a full-system backup to our Cloud Storage.

-) Allworx Full System Configuration
-) Voice Mail Messages
-) Automated Attendant Greetings
-) Voice Mail Box Greetings
-) All other Audio Files

TCE Company will continuously store the ten-most recent nightly backups in our system – after ten-backups the oldest backup copy will drop off, when the new backup is completed.
